

ACCOMADATION

In this Topic we have to cover main criteria which we are going to look at

01. Ways of finding an accommodation place
02. Price Range of the accommodation
03. Facility which are provided
04. Distance to the College and work places
05. Convenience of the accommodation

01. There are several ways of finding accommodation and which are

(Due to Covid-19 pandemic, all the students have to stay the apartments which is recommended by the college)

- College do it on behalf of students (Due to Covid- 19)
- College Seniors support to find a place
- Through Friend or a Family member who is currently living in Japan
- Via online

02. Cost of the Apartments.

Cost of the apartment depends on the requirements which are going to look in. There are Single room / Double room and three people room or a house for a several people available so based on your requirements you can pick one.

Price Range would be variable based on the facilities they have included. Basically in all the apartments fulfill basic requirements like Bathroom, kitchen, Air conditioner and etc .

Starting Price of a single room is 22,000Yen and it goes up to 40,000 to 50,000 Yen based on the facilities and convenience.

Double room is starting from 40,000 Yen to above

Home rent is starting from

03 Facilities Provided

Facilities provided by the apartment are as follows

- Air conditioner/Hot water supply/closet/Internet Support/City Gas/Sewage/Flooring/Balcony/ Indoor washing machine storage / lighting equipment/ bicycle parking lot and etc

04. Distance to the college

There is high possibility to find a place close to the college. According to the our experience we could be able to find apartment within 03 to 05Km distance

05. Convenience of the accommodation

Most the apartments are located close to the Bus station or railway station or close to the both. And convenience store /super markets and other groceries are available nearby. Hospital and other necessary facilities surrounded.
